Care4Kids replaces a traditional hand-out of Christmas gifts. It is an added-value program that addresses family needs in return for parents' volunteer service with back to school supplies in August and toys, clothing, and household items in December.

In 2005, the program expanded and began reaching beyond its immediate neighborhood by offering the program to other West Dallas agencies. WITH YOUR HELP, OUR 2009 GOAL IS TO SERVE OVER 200 FAMILIES AND 600 CHILDREN.
